

Report 2007- EFP – Executive Committee meeting Munich – 23th February 2008

Committee name: EFP web page

Committee members: Edwin Winkel, EFP webmaster, Sebastiaan van Wermerskeken and Juriaan Spoomaker from Mepireak Internet Solutions and Mónica Guinea

Summary of activities

- Design the contents structure
- Work in the member area
- Start uploading documents

Actions taken

The committee held three meetings

- 1^o meeting – 16 March in Amsterdam to discuss the contents structure
- End March the contents template was sent to the EC asking for suggestions.
- 21 March a letter was sent to Rolf Attstrom, past webmaster to inform about the new management of the web
- April Mónica collected the suggestions from the EC and sent to Edwin
- July new web was ready. Mónica asked Mepireak to do final amendments
- 2^o meeting- 23 August in Madrid to teach Mónica how to use the back office of the web
- 31 August Mónica started to upload documents
- 3^o meeting- 6 December in Amsterdam. Contents were reviewed. Final changes agreed: highlight JCP link in the Home, develop GA section and establish the same process to register to the current web page. The web will continue linked to the EFP database from Blackwell.

The new web hosted now in www.bryz.com will be in the air beginning 2008

Goals achieved

- A completely new web: easy to navigate and useful for the national societies

New proposals

- Ask national societies to promote the new web through their members
- Ask the treasurer for 2008 to accept a budget of 4000€ regular cost and 10.000 € Adds via Google.
